Modern architecture or modernist architecture is a term applied to a group of styles of architecture which emerged in the first half of the 20th century and became dominant after World War II. It was based upon new technologies of construction, particularly the use of glass, steel and reinforced concrete; and upon a rejection of the traditional neoclassical architecture and Beaux-Arts styles ...

Since 2010 to around ~2016 I designed few hundred houses from personal interest (artistic hobby / training) as well as for various customers all over the world. Here I show samples of my best designs in low resolution. For higher resolution you can purchase PDF / DWG files. I no longer offer architectural design services
