Deer Lodge is a city in and the county seat of Powell County, Montana, United States. The population was 3,111 at the 2010 census. The city is perhaps best known as the home of the Montana State Prison, a major local employer. The Montana State Hospital in Warm Springs, and former state tuberculosis sanitarium in nearby Galen are the result of the power the western part of the state held over ...

Investigation in Yellowstone National Park showed that elk, followed by mule deer, were the cougar's primary targets; the prey base is shared with the park's gray wolves, with which the cougar competes for resources. Another study on winter kills (November–April) in Alberta showed that ungulates accounted for greater than 99% of the cougar diet. . Learned, individual prey recognition was ...
